How to Break Any Type of Press and Avoid Turnovers

Your point guard should have their head up and be aware of the danger spot just past half court. They do not want to get in a double team there. As a general rule, point guards can avoid this problem by keeping the ball away from the sideline. The defense might try to force them to the sideline, but the point guard should fight to keep the

What went well? - Entertainment Technology Center

What went well? 1 We worked quickly to make things testable. 2 Had 2 running games in 5 days! 2 We discussed issues frequently so they could be resolved. 3 We had a workflow figured out, ie how well we can work with each other. 4 Gave us hint of what motions might be monotonous. 5
